#### **RULES FOR SUBMISSION**

- Submit your abstract sending it via mail at: info@exerciseismedicine.it
- Email object must contain "Abstract EIEIM 2022 Topic Title"
- The Author may suggest a preferred type of presentation (oral or Poster), however the final decision lies upon the Scientific Committee.
- The first named author should present the abstract. All authors must approve the submitted abstract.
- The Speaker commits himself to attend the Conference. In case of unforeseeable circumstances preventing the Speaker from attending the Conference, a Speaker's substitute will be accepted at any time.
- The primary focus and substance of the submitted abstract must be novel. The abstract must not have been published as a full manuscript in a scientific medical, or professional publication at the time of submission.
- The abstract must be written in English.
- The Abstract that describes general topics or reviews/meta-analyses will not be considered. Case reports are accepted for Poster presentation.
- For oral powerpoint presentations, speakers agree to pay registration fees and any other costs associated. The acceptance of the Abstract and the printing on the Final Programme will be subordinated to the payment of the registration fee.
- The abstracts will be published online on the EIM-Italy Web-page. Authors can decline this publication by specific request.

#### INSTRUCTIONS FOR AUTHORS - ABSTRACT STRUCTURE

- Title: brief and specific, maximum 80 characters in capitals. The title has to reflect the paper content and must not include abbreviations.
- Authors: Write the entire surname followed by the initial(s) of the name, without titles.
- Affiliation: The affiliation for every Author has to be reported concisely: workplace, city, country.
- Text: The maximal length is 4000 characters, spaces included. Abstracts with expressions such as "results will be discussed during the
  presentation", or "results will be presented", will not be accepted. Text should be structured according to the scheme:
  Introduction, Aim, Methods, Results (I table/figure allowed), Conclusions. A maximum of three (3) references at the end of the text is allowed.

#### INSTRUCTIONS FOR AUTHORS - ORAL POWERPOINT PRESENTATION

Speakers need to prepare a maximum 6 Slides PowerPoint Presentation (including the Title one); during Live session speakers have 6 minutes (this timing should be strictly respected) to present their work and 3 minutes discussing at the end of each abstract presentation.

#### **INSTRUCTIONS FOR AUTHORS - POSTER**

We recommend to prepare Poster as a single PDF page format ( $594 \times 841$  mm, A1 format). Create your document on Powerpoint with an orientation Landscape Layout  $16 \times 9$  and save it as a PDF file.

Declaration of interest is mandatory but does not need to be inserted when preparing your Poster. Important fields to include in your PDF layout: Title, author(s), address (at upper edge, across the width the whole poster), Purpose, Methods, Results and Conclusions.

The text should be broken up by the inclusion of drawings and/or photos. The use of colour makes the poster more attractive and effective.
